

OUTPATIENT SURGERY & PROCEDURE COMPANION

You have the procedure. Kavia handles the day around it.

The licensed companion your facility requires,
when family, friends, or neighbors can't be there.

Peter Zadecki
Founder / Companion

"I started Kavia after watching my uncle miss two surgeries, not from illness. He had no one to take him. He'd done the hard part. The logistics undid him."

TWO FLAT RATES. NO OVERAGES, EVER

MOST BOOKED
